COLLEGE OF ARTS AND SCIENCES

Arts and Sciences Leadership

Dean: Shaily Menon, Ph.D.

Associate Dean for Curriculum and Assessment: Shawn M. Krahmer, Ph.D.

Associate Dean for Students and Experiential Learning: James Caccamo, Ph.D.

Mission

As the intellectual heart of Jesuit education at Saint Joseph's University, the College of Arts and Sciences invites students into a community of life-long learners who lead by example, living purposefully for the greater glory of God in service to and with others. To this end, we expand minds, advance knowledge, nurture humane values, and inspire imaginations.
