

# SCIENCE WRITING GRADUATE CERTIFICATE

---

## Requirements

The Certificate in Science Writing is a 16 credit, five course program that requires:

Code	Title	Hours
ENG 610	Science Writing	3
One course with residency		4
Three Science Writing Courses		9
<b>Total Hours</b>		<b>16</b>

Writing Studies students can also (as space allows) take courses designed as Science Writing (including the courses with residencies), and Science Writing students will have the opportunity to take Writing Studies courses as electives. Both groups will take Practice of Writing.
