GENERAL STUDIES - B.L.S.

Program Overview
The Bachelor of Liberal Studies Degree in General Studies grants the flexibility, industry-focus and knowledge required to be competitive in today's dynamic job market. Concentrations include humanities, social sciences, professional studies, and autism studies. The scope of these concentrations provides each student the opportunity to gain marketable skills and applicable concepts specific to their interests.

Please note: Students admitted prior to Summer 2016 entered under the curriculum requirements for the BS in Professional and Liberal Studies. Please see the SJU Academic Catalog for your admit year for additional information.
