Note: In no case may an ILC course be double counted towards completing other requirements of the International Business minor.

1

Only a maximum of two may double-count towards other requirements such as primary major or other minors

2

The advanced level starts with course 202 for Western Languages (FRE, GRM, ITA and SPA) and with course 201 for CHN or JPN. This course may be taken as part of the GEP non-native language requirement
