

# SUPERVISOR OF SPECIAL EDUCATION

---

The Supervisor of Special Education Certification Program requires 12 credits. Students are urged to maintain continued contact with the Special Education Graduate Program Advisor to assure certification program compliance. Students must be formally admitted into the Special Education Supervisory Program for certification eligibility. This program requires graduate students to have a special education certification.

## Learning Goals and Outcomes

**Goal 1:** The student will demonstrate an understanding of and the ability to promote the success of all P-12 students by facilitating the shared school vision of learning supported by the stakeholders.

**Objective 1.1:** The student will collaboratively develop a shared vision of learning for a school that promotes the success of all P-12 students.

**Objective 1.2:** The student will articulate the components of this vision for a school and the leadership processes necessary to implement and support the vision.

**Goal 2:** The students will demonstrate an understanding of how to articulate a plan for a school culture that is conducive to P-12 student learning.

**Objective 2.1:** The student will create and evaluate a comprehensive, rigorous, and coherent curricular and instructional school program.

**Objective 2.2:** The student will develop a plan for the future supervision of the instructional and leadership capacity.

**Goal 3:** The student will demonstrate an understanding of the role of Special Education within the school and school district.

**Objective 3.1:** The student will demonstrate knowledge of the needs of Special Education programs in relation to budgeting and curriculum and instruction.

**Objective 3.2:** The student will demonstrate an understanding of standardized testing results for students with IEPs.
