

ALLIED HEALTH

Located at Saint Joseph's University's Lancaster location, the Department of Allied Health is led by faculty members specializing in sonography, cardiovascular and surgical technology, nuclear medicine technology, radiography and respiratory care. Our department aims to educate future leaders in healthcare by providing certificate and associate degree programs in the allied health field.

Faculty

The faculty in the Department of Allied Health brings extensive experience in healthcare specializing in sonography, cardiovascular and surgical technology, nuclear medicine technology, radiography and respiratory care. They are dedicated to helping students learn and grow into competent health professionals.
